GENTLE GIANT

A ray of hope that brings sunshine into dark lives. A small entity with so much of life, love and enthusiasm. A mother's greatest asset and a father's pride. Their child! Children never fail to astound me. Their cute behavior, curiosity and playfulness puts a smile on anyone's face. As beautiful and amazing human children are, it's the exact same thing in the wild. The children of the wild are extremely cute, intelligent and curious! Seeing them with their mothers, playing and running around the forest is a wholesome thing to watch.

BE THE CHANGE

if you can't fly, then run. If you can't run, then walk. If you can't walk, then crawl. But whatever you do, you have to keep moving forward in life !

KING OF IVORY

I'm called a tusk. I'm an elephant's major form of defence, a major reason for its survival through millions of years. It has been a status symbol for millennia because of elephants, a highly respected animal, and because it is fairly easy to carve into works of art.
